PRACTICE NEWS

- **Seasonal Flu Vaccinations**

Over 1000 people attended the two Saturday morning flu vaccination clinics, the experiences from the previous year ensured that queues were kept to a minimum and that the two mornings went very smoothly.

A big **thank you**, to the Friends of Jenner for their support and assistance, as well as to all the staff who gave up their Saturday morning.

If you are over **65**, have a chronic disease or you are pregnant and have not yet had your Seasonal Flu Vaccination. Please ask at Reception for an appointment.

- **Front Door Replacement**

The new 'semi automated' front entrance doors have proven to improve the access to the premises.

- **Practice Website**

Don't forget, up-to-date information on all the services provided by the Practice can be found on our website:

<http://www.oldharlowhealth.co.uk>

- **Contact details**

If you move home or change your telephone contact details, please let the reception staff know as soon as possible. We need to ensure that your medical record is kept up to date and will enable us to contact you if the need arises.

David Bell
Practice Manager

Thanks to You

Friends of Jenner hope you like the new doors. We think that they add to patients' convenience, especially for those who have difficulty in negotiating a wheel chair through the entrance.

The committee of Friends of Jenner House thank all those who have contributed in any way during the year 2010. It is due to the efforts of all of you that we have been able to continue to help the practice and the patients who use it.

Please continue to look at the Notice Board in Jenner to keep up to date with our activities.

A Happy New Year,

From the Committee
