PRACTICE NEWS

Chairman's Report:-

During our last year 2010/11 we have spent over £7000 within the practice. The most noticeable item will be the new doors for the Jenner House Surgery Patients Entrance.

You will now see the results of all your efforts and contributions. There was some additional expenditure on Maintenance for the additional Ambulatory Blood Pressure Monitors used in the practice and the Locked Notice Boards in the waiting rooms.

During 2011/12 we will be purchasing some more comfortable "high-seating" in the waiting room and two "Hot-Air Hand Driers in the practice public toilets. The hand-tissue (normally provided) has given us blocked toilets; when the tissue is not discarded into the bins provided. Fund raising during this year should follow the usual pattern; FJH Lottery, a Raffle at Christmas, FJH Book Rack in the waiting room, a presence at the Flu-Jab Sessions and finally a Coffee Morning on 13th Dec to draw the FJH Christmas Raffle.

Again my sincere thanks for your excellent support; our fund raising activities throughout the year are most enjoyable and we look forward to meeting you on one of these occasions.
