Future Plans...

Because of your generous donations and support given to our fund-raising events Friends of Jenner House now have sufficient funds to plan for the installation of semi-automatic entrance doors. Their installation is subject to planning permission and we anticipate their installation within the next month or two.

We also intend to purchase some additional higher chairs for the surgery waiting room. These chairs are often found to be more comfortable and convenient for the older or infirm patients.

The fixture and furniture above are additional to the other miscellaneous items purchased, as mentioned by our Treasurer.

We are sure that many of the patients will feel the benefit.

PRACTICE NEWS

I would like to thank the 'Friends of Jenner' for their continued support. As stated previously, the Practice is currently obtaining quotations from suppliers to semi-automate the main entrance doors. The 'Friends' will be providing financial support for this project. This will provide easier access for pushchairs, wheelchairs or people who use walking aids.

Staff News

At the beginning of February we welcomed **Dr Alex Phipps** who joined the Practice as a GP Registrar. Dr Phipps will be with the Practice for 18 months.
